I also enclose a receipted bill that I found at the room. Will you kindly send me a sample of the various bills you use? We will want some new ones on account of the change of date of annual meeting.

I have your letter regarding the badge of the St. Nicholas Society. I would rather like to talk that matter over with you if I had a chance, are you likely to be down town any day next week? If you are and have a little spare time I will meet you any where you say and we can talk it over. I can get over any time between 11:30 and 2 o'clock. I have to be back in my office by three.

My dear Mr. Pryer:-

I received your notice and remember distinctly making the subscription and presumed I had paid last year's, so will take the pleasure of sending you a check for twenty dollars (\$20.00) to cover this year and last year.

Hoping that yourself and the Society will have a very prosperous New Year, believe me,

Very truly yours,

Dear Sir,

I enclose my cheque as requested, for ten dollars (\$10) toward support of School for die-cutting & medal designing — said cheque covering my subscription for last year, and advance for current year.

Your note is misdirected to 156 Fifth Avenue. I had an office there for a number of years but not for the last four or about that. This wrong address accounts probably for the delay in getting your letter, and for the fact that I have received no notification for any meeting of the Society

this winter, my city address  
is at the Century Club, next  
door to you on 113<sup>rd</sup> St or, if prompt  
receipt is desirable, at my residence  
as above.

whereas, the salary is only paid to Jan.

My dear Mr. Frye:-

I have been so busy for the last few days that I delayed answering your letter of 4<sup>th</sup> inst. I am sorry to hear that you have to spend so much time on jury duty, hope it will not last very long. As to inviting you to talk over the St. Nicholas badge &c. There is plenty of time for that and possibly after a while you will have a good opportunity, do not put yourself to any inconvenience as it can wait as long as necessary.

Have you heard from any of the delinquents except Mr. Richardson? I suppose we will have to drop some of them on Tuesday. I am sorry as we will show but little - if any - gain over last year.

I received the Naval Medal of Honor from the Secretary of the Navy a few days ago, it makes a very nice addition to our collection.

Very sincerely yours

Replying to yours of Jan. 27th, I send, herewith, Mr. Brenner's receipt, for \$25.00, for books; for the use of the Class in Coin & Medal Designing & Die Cutting. The amount I wanted was \$30.00; but \$25.00 will answer very well, for the present; and if more is required, I will let you know. Please pardon my oversight, in failing to state the amount desired. I signed the letter, late on Saturday, when I was very tired, and sleepy; and did not notice the omission.

I will try and get a detailed bill, from Mr. Brenner; and send it to you, in addition to this receipt.

Mr. Brenner has exceeded his appropriation, without authority from me; but I suppose that we must expect an artist, ( especially a good one,) not to confine himself absolutely to the rules of business.

Will you kindly send me a check for \$30.90, drawn to Mr. Brenner's order; to cover the difference between the amount of these bills, and the sum of \$25.00, which you sent me a few days since. My dear Mr. Pryer,

Will you kindly send me a check, for \$45.50, with which to pay the following bills, incurred by Mr. Brenner, on behalf of the Class in Coin & Medal Designing & Die Cutting:-

Albert Ward, extra tops for modeling stands,	\$ 5.50

L. Castelvechi & Co., plaster casts,	<u>20.00</u>
Total,	\$45.50

I think that, if agreeable to you, all checks for the expenses of the Class in Coin & Medal Designing & Die Cutting, had better be drawn to my order, as "Woodbury G. Langdon, Chmn. Comn.;" and I will endorse them over, to the parties to whom they should be paid. This will give you a receipt, from me, until such time as I can send you proper vouchers. This plan was, I think, originally suggested by Mr. Zabriskie; but, in the press of business, I have overlooked the matter.

I meant to show it if I

My dear Mr. Pryor:-

We have at last rec'd the diploma from the Paris Exposition. We are entitled to a silver medal for which we have to pay 25 francs, as the Society has already voted to purchase whatever medal may be awarded no action on the part of the Executive Committee is necessary.

Will you kindly obtain and send to me a draft on Paris for 25 francs payable to B. D. Woodward?

I will then write to him acknowledging the diploma and ordering the medal. Please let me have this as soon as you can so that we may have the medal in reasonable time, they are so slow about these things that if we do not get our order in

promptly we may not have the medal in time to exhibit at the fall meeting.

I have just seen Mr. Jarvis and he thinks this is the best way to manage it.

I have written Mr. Valentine for his mailing list which I will send you as soon as received.

I hope Mr. Spinkman will send me a proof of the plates for my paper when they are made up so that I can see that they are properly numbered.

With kind regards I am

My dear Mr. Pryst:-

I found, on looking over some papers, the enclosed bill from Mr. Drimmer, for the plates on the Iron Cabinet, which I had mistaid and forgotten.

On April 4<sup>th</sup> 1901 the Executive Committee passed a resolution authorizing the purchase of these plates, so I see no reason why this bill should not be paid without further action on the part of the Executive Committee, it is now two months old and there will probably be no meeting of the Executive Committee before fall.

I received the Meili certificate this A.M. have signed it and send it to you by this mail.

Hope you are well and enjoying this fine weather.

I also enclose rent bill.

Dear Mr. Byer,

Your note of the 20<sup>th</sup> ulto was received with its enclosure of Mr. Low's bill. I called to see him and had the dates of the sales noted on the bill, and then found that we had received all those six catalogues priced. So, I send you the bill with my "O.K." on it, as I presume that you have not paid for the priced catalogues which are charged for in the bill.

I also obtained a duplicate bill for the book which I purchased for the Society at Low's sale of May 22, 1902. It was for \$5<sup>50</sup>, including the Commission, but I only paid it in at the last Ex. Com. meeting at \$5.00.

Send the bill to Mr. Belden  
as I believe he wants to see it,  
and he will then send it to you  
for payment. - to me.

I am glad to say that the April  
number of the Am. Journal was  
safely received a few days ago.
